Custom Pet Memorial Songs

Harley's Gentle Echo

A Tribute Song

Intro - piano, cello

Verse 1

The sound of tiny paws on the wooden floor,
Always waiting by the dining room door.
A hopeful glance, a patient sigh,
As crumbs might fall from up on high.
A Cavachon's heart, so pure and true,
In every moment, I cherished you.

Chorus

Oh, Harley, sweet Harley, my dear,
Sixteen wonderful years, held so near.
A love like yours, a gentle grace,
No one could ever fill your space.

Verse 2

Evening walks, a short, sweet stroll,
Just you and me, that made me whole.
A gentle pet, a nightly treat,
Each day complete, impossibly sweet.
A photo taken, a memory made,
In my heart, your light won't fade.

Chorus

Oh, Harley, sweet Harley, my dear,
Sixteen wonderful years, held so near.
A love like yours, a gentle grace,
No one could ever fill your space.

Bridge

Harley's Gentle Echo (continued)

Run free, my love, in skies so wide,
I'll see you when I'm by your side.
I miss you so, with every beat,
Until we meet, my darling, sweet.

Instrumental - piano, cello, glockenspiel

Final Chorus

Oh, Harley, sweet Harley, my dear,
Sixteen wonderful years, held so near.
A love like yours, a gentle grace,
No one could ever fill your space.

Outro

Now you're running free, light as the wind,
With loved ones playing, a joy to find.
A tennis ball, a joyful bark,
Waiting for me, a guiding spark.
Dreaming of you, my sweet, sweet friend,
