Gretel's Enduring Bark

A Tribute Song

Intro - piano, strings

Verse 1

The moment I walked through the door
A welcome sound I did adore
Your happy bark, a joyous cry
Reaching long after I'd passed by

A German Shepherd, strong and true
Our Grandmama, commanding you
The boss of all, a loving queen
The finest leader we had seen

Chorus

Oh Gretel, our dear, brave heart
For nine years, you played a loyal part
Your spirit shines, a guiding star
No matter how far you are

Verse 2

That joyous bark, a happy sound
As you circled all around
Long after I was deep inside
Your loving welcome could not hide

Through trials faced, with brave resolve
Four years of struggle, you'd evolve
A fighter's spirit, strong and clear
You banished every single fear

Chorus

Oh Gretel, our dear, brave heart

Gretel's Enduring Bark (continued)

For nine years, you played a loyal part
Your spirit shines, a guiding star
No matter how far you are

Bridge

I love you so, my sweet, dear friend
Until we meet again, around the bend
Keep jumping in that sparkling pool
And chasing balls, defying every rule
I know I'll hear your bark so bright
When we reunite in endless light

Instrumental - strings, French horn

Final Chorus

Oh Gretel, our dear, brave heart
For nine years, you played a loyal part
Your spirit shines, a guiding star
No matter how far you are

Outro

Beyond the Bridge, your spirit flies
Watching over us from azure skies
Free from pain, a happy heart
With Katrina, Guinness, Reavo, a brand new start
Still Grandmama, leading the way
Until we meet again someday

Outro - strings fade

Forever in our hearts
