Lulu's Gentle Freedom

A Tribute Song

Intro - warm piano, acoustic guitar

Verse 1

A tiny bundle, soft and white
Held in my arms, a pure delight
Just days old, a fragile start
You captured then my loving heart
Your little paws, your gentle sigh
A promise whispered to the sky
My sweet companion, small and dear
You chased away my every fear

Chorus

Oh, Lulu, sweet Lulu, my dear friend
Sixteen years, love without end
A tiny spirit, brave and true
My heart will always call for you

Verse 2

When shadows fell and spirits low
Your gentle comfort, you would know
A soft nudge, a loving gaze
You brightened up my darkest days
You'd 'hawl' for a treat, a walk outside
With joyful barks, you'd be my guide
Your little voice, a special sound
The dearest treasure I had found

Chorus

Oh, Lulu, sweet Lulu, my dear friend
Sixteen years, love without end

Lulu's Gentle Freedom (continued)

A tiny spirit, brave and true
My heart will always call for you

Verse 3

Through sixteen years, you walked with me
A steady heart for all to see
No matter what the day would bring
Your quiet love would softly sing
A comfort deep, a loyal soul
You made my broken spirit whole
The bond we shared, a golden thread
Sweet memories now softly spread

Bridge

You meant the world, my precious girl
My guiding star in life's fast swirl
Now pain is gone, your spirit bright
You're dancing in the golden light

Instrumental - soft cello, synth pads

Final Chorus

Oh, Lulu, sweet Lulu, my dear friend
Sixteen years, love without end
A tiny spirit, brave and true
My heart will always call for you

Outro

Running free, no burdens weigh
With grandma now, in endless day
Her gentle parents by her side
Across the fields, she softly glides
My sweet Lulu, sleep and rest
Forever cherished, truly blessed

Outro - piano fade

Forever in our hearts
