# Macy Grace's Gentle Light

*A Tribute Song*

---

**Intro - piano, synth pad**

**Verse 1**

From the moment I first saw your face  
A tiny shadow, full of grace  
Always there, a constant friend  
A love that truly knew no end

**Chorus**

Oh, Macy Grace, my sweet dear pup  
For seventeen years, you lifted me up  
A heart so pure, a spirit bright  
You filled my world with gentle light

**Verse 2**

Every day we spent, a precious gift  
Your loving eyes, a soulful lift  
Held you close until your final sigh  
Beneath a soft and starlit sky

**Chorus**

Oh, Macy Grace, my sweet dear pup  
For seventeen years, you lifted me up  
A heart so pure, a spirit bright  
You filled my world with gentle light

**Bridge**

Macy Grace, we miss you so  
Our hearts are broken, don't you know?  
Some nights I still cry myself to sleep

*Macy Grace's Gentle Light (continued)*

Secrets of our love I keep

**Instrumental - piano, acoustic guitar**

**Final Chorus**

Oh, Macy Grace, my sweet dear pup  
For seventeen years, you lifted me up  
A heart so pure, a spirit bright  
You filled my world with gentle light

**Outro**

Now you're free, in sunlit fields you roam  
With dear Hannah, you found your home  
Running, chasing, free and grand  
A peaceful slumber, paw in hand

**Outro - piano fade**

*Forever in our hearts*
