

Remembering Ollie

Custom Pet Memorial Songs

Casey's Waiting Heart

A Tribute Song

Intro - piano, strings

Verse 1

A golden shadow, always there,
Waiting by the door with loving stare.
The morning paper, brought with such glee,
A faithful friend, always with me.
Hamburgers and ice cream, a joyful treat,
Making every day feel so sweet.
Your gentle spirit, so kind and true,
My dearest companion, that was you.

Chorus

Oh, Casey, my sweet girl, my loyal heart,
Twelve beautiful years, right from the start.
A love like yours, it will never cease,
Now you rest in everlasting peace.

Verse 2

Through snow and wind, through pouring rain,
We walked together, easing every pain.
No matter what the weather brought,
Your steady presence, always sought.
A furry guardian, strong and bold,
More precious than a story told.
Each step beside me, firm and true,
My dearest companion, that was you.

Chorus

Oh, Casey, my sweet girl, my loyal heart,
Twelve beautiful years, right from the start.

Casey's Waiting Heart (continued)

A love like yours, it will never cease,
Now you rest in everlasting peace.

Bridge

A final whisper, soft and low,
A promise made, for me to know.
I will be with you someday, my dear,
Dispelling every doubt and fear.

Instrumental - strings, oboe

Final Chorus

Oh, Casey, my sweet girl, my loyal heart,
Twelve beautiful years, right from the start.
A love like yours, it will never cease,
Now you rest in everlasting peace.

Outro

Beyond the stars, a happy scene,
With loved ones gone, you play serene.
With son and parents, free and bright,
Bathed in an endless, golden light.

Outro - strings fade

Forever in our hearts
