Custom Pet Memorial Songs

Aloma Fe's Sunshine Heart

A Tribute Song

Intro - acoustic guitar, bells

Verse 1

The day you came, a happy loving girl so small,
A pit bull's heart, ready to give your all.
Your spirit bright, a joyful, wagging tail,
Our little Fe, beyond any fail.
With boundless love, you filled our every day,
Chasing shadows, in your sweet and playful way.
A gentle soul, though strong and full of grace,
Always ready to greet us with a smiling face.

Chorus

Oh, Aloma Fe, our sunshine heart,
For two years and five months, right from the start.
You brought such joy, a love so pure and true,
Every memory, cherished, dear, and new.

Verse 2

The door would open, and you'd dance with pure delight,
A joyful whirlwind, bathed in golden light.
Then on the sofa, you'd snuggle close to me,
Watching TV, as happy as could be.
Your warm embrace, a comfort soft and deep,
Secrets whispered, that only we could keep.
Every moment shared, a treasure to behold,
A precious story, more valuable than gold.

Chorus

Oh, Aloma Fe, our sunshine heart,
For two years and five months, right from the start.

Aloma Fe's Sunshine Heart (continued)

You brought such joy, a love so pure and true,
Every memory, cherished, dear, and new.

Bridge

Go run my girl, free of sickness, soaring high,
Beneath the vast and endless sky.
I miss you terribly, I love you immensely, it's true,
You will always be up my heart, forever with you.
Stay close in spirit, in every gentle breeze,
Continue filling our house with happiness and ease.

Instrumental - ukulele, light drums

Final Chorus

Oh, Aloma Fe, our sunshine heart,
For two years and five months, right from the start.
You brought such joy, a love so pure and true,
Every memory, cherished, dear, and new.

Outro - acoustic guitar fade

Now laying on your back, in the warm, bright sun,
Your journey's peaceful, your gentle race is run.
Forever in our hearts, our sweet and loving Fe,
A beautiful memory, eternally free.

Forever in our hearts
