Dante and Samantha's Everlasting Joy

A Tribute Song

Intro - acoustic guitar, ukulele

Verse 1

When you joined our family, our world felt so new,
With unconditional love, shining brightly through.
Dante the Boxer, with a heart pure and grand,
And Samantha, our Yorkie, the best in the land.

Chorus

Oh, Dante and Samantha, forever you'll stay,
Thirteen and eighteen years, brightening every day.
You filled every moment with laughter and cheer,
Our beloved companions, held ever so dear.

Verse 2

From sleepy good mornings, to playful sweet days,
You filled every hour in countless soft ways.
Through every adventure, and funny shared plight,
You turned ordinary days into something so bright.

Chorus

Oh, Dante and Samantha, forever you'll stay,
Thirteen and eighteen years, brightening every day.
You filled every moment with laughter and cheer,
Our beloved companions, held ever so dear.

Bridge

You are so missed and loved, in our hearts you reside,
I love you both always, with nothing to hide.
Those funny moments we shared, we still recall,

Dante and Samantha's Everlasting Joy (continued)

The greatest of loves, standing strong and tall.

Instrumental - ukulele, synth

Final Chorus

Oh, Dante and Samantha, forever you'll stay,
Thirteen and eighteen years, brightening every day.
You filled every moment with laughter and cheer,
Our beloved companions, held ever so dear.

Outro

Now you're soaring freely, in meadows above,
Surrounded by pure, everlasting love.
Sleeping peacefully, or running through the breeze,
Our beautiful souls, forever at ease.
