Olaf's Gentle Smile

A Tribute Song

Intro - piano, cello

Verse 1

Handsome, majestic, sweet "Fat Body," it's true,
Always happiest when welcoming me and you.
With your goofy personality, a snort so dear,
Curled like a loaf, banishing all fear.
Paws tucked under chin, in a funny pose,
Your joyful zoomies, how everyone knows.
From beach to mountains, backyard so calm,
Safe in your bedroom, away from all harm.

Chorus

Oh, Olaf, our sweet boy, our loyal, dear friend,
For two and a half years, right until the end.
Your happy smile, a light shining through,
We carry your love, forever with you.

Verse 2

Our mornings together, my favorite time to find,
Walks in the quiet, leaving worries behind.
Beside me you'd sit, during meditation's peace,
A special moment, bringing sweet release.
You knew when I was coming, every single day,
Barking with joy, in your excited way.
Jumping all over, a greeting so grand,
The happiest boy in all of the land.

Chorus

Oh, Olaf, our sweet boy, our loyal, dear friend,
For two and a half years, right until the end.

Olaf's Gentle Smile (continued)

Your happy smile, a light shining through,
We carry your love, forever with you.

Bridge

Our beautiful, sweet "Fat Body," it's true,
I miss and I love you, more than words can do.
Run free, play without pain, no fear in your heart,
Wait for me, my handsome boy, until we can't part.

Instrumental - piano, synth

Final Chorus

Oh, Olaf, our sweet boy, our loyal, dear friend,
For two and a half years, right until the end.
Your happy smile, a light shining through,
We carry your love, forever with you.

Outro

I see you running, strong and so free,
Without pain, or sickness, just pure ecstasy.
Playing with new dog friends, your beautiful smile bright,
Patiently waiting for our reunion in the light.
Walking side by side, through paradise grand,
Watching sunrises and sunsets across God's creation, hand in hand.

Outro - piano fade

Forever in our hearts
