Verse 1

A tiny friend, a loyal heart so true,
Right from the start, my world changed with you.
You loved your treats, a happy little sound,
And belly rubs, the best around.
A Chihuahua's spirit, brave and bold,
A precious story, waiting to unfold.
Your bright eyes sparkling, full of glee,
The sweetest little soul I'd ever see.

Chorus

Oh, Chico, my buddy, my dear little friend,
Fourteen years of love that will never truly end.
A bond like no other, forever in my soul,
You made my life wonderfully whole.

Verse 2

Each day I'd come home, tired from my work,
Your happy bark, a joyful little perk.
Wagging tail and wiggles, such a sight,
Filling every evening with pure delight.
Small paws dancing, a greeting so grand,

Chico's Golden Sun (continued)

The best welcome across the land.
You had a way of chasing clouds away,
Making brighter every single day.

Chorus

Oh, Chico, my buddy, my dear little friend,
Fourteen years of love that will never truly end.
A bond like no other, forever in my soul,
You made my life wonderfully whole.

Verse 3

No ordinary Chihuahua, that was plain to see,
You had a unique, sweet personality.
You loved to cuddle, so warm and so near,
Chasing away every worry and every fear.
And those soft kisses, a gentle, wet grace,
Left happy memories, in time and in space.
You'd find a sunbeam, and peacefully lay,
Soaking the warmth, throughout the long day.

Bridge

Now the silence falls, a quiet, gentle sigh,
But your loving spirit will never truly die.
Chico daddy loves you buddy, so very much it's true,
Be a good boy, and I'll see you soon.

Instrumental - strings, piano

Final Chorus

Oh, Chico, my buddy, my dear little friend,
Fourteen years of love that will never truly end.
A bond like no other, forever in my soul,
You made my life wonderfully whole.

Outro

Now you're relaxing, in the golden sun,
Your peaceful journey, finally done.
Dreaming sweet dreams, in a warmth so deep,
My dearest Chico, forever in my sleep.

Outro - string fade
