Mr. Bear's Joyful Run

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

The day we met, a flash of brown
Chasing tennis balls all over town
Long walks in the park, a happy bark
Leaving joy on every mark
A chocolate lab, so full of glee
Pup cups were always a treat for thee
With every step, a wagging tail
Your spirit never seemed to fail.

Chorus

Oh, Bruin, our dear Mr. Bear
For ten and a half years, you were always there
A love so strong, a bond so true
Our hearts will always beat for you
We celebrate the joy you brought
Every lesson that you taught.

Verse 2

Those afternoon cuddles, soft and deep
Secrets only you could keep
In tune with feelings, good or bad
The bestest friend we ever had
A gentle nudge, a knowing gaze
Brightened up our darkest days
Your quiet presence, calm and kind
A love like yours, so hard to find.

Chorus

Mr. Bear's Joyful Run (continued)

Oh, Bruin, our dear Mr. Bear
For ten and a half years, you were always there
A love so strong, a bond so true
Our hearts will always beat for you
We celebrate the joy you brought
Every lesson that you taught.

Verse 3

Car rides a joy, wind in your hair
For Matt, a comfort beyond compare
At Grandma's home, where love ran deep
And precious memories you would keep
A ring bearer, our special day
You stole our hearts in every way
The Biltmore hotel, a lavish treat
Gina's number one, can't be beat.

Bridge

Forever in our hearts, you'll stay
Running free, come what may
Run free, Mr. Bear, across the sky
The bestest dog, we softly cry!

Instrumental - light drums, bass

Final Chorus

Oh, Bruin, our dear Mr. Bear
For ten and a half years, you were always there
A love so strong, a bond so true
Our hearts will always beat for you
We celebrate the joy you brought
Every lesson that you taught.

Outro - guitar fade

Now running free, chasing balls so high
Helping other hounds beneath the sky
Surrounded by pup cups, a joyful sound
Our sweet Mr. Bear, forever profound.

Forever in our hearts
