

Remembering Ollie

Custom Pet Memorial Songs

Oskar's Open Sky

A Tribute Song

Intro - piano, strings

Verse 1

The shelter lady's words so kind
A perfect match, she said we'd find
My heart was low, a quiet plea
But pure energy, you came to me
A puggle blur, you spun around
Then settled close, without a sound
Upon my foot, a gentle weight
Sealed by love, our destined fate

Chorus

Oh, Oskar, my sweet little man
Almost sixteen years, part of my plan
A paw print left upon my soul
Making my fractured spirit whole

Verse 2

When I would speak, your head would bend
A curious gaze, my dearest friend
You made me laugh with every sigh
A sparkle in your knowing eye
Zoomies you'd do, with joyful grace
Across the yard, your happy place
Then on my lap, a cozy curl
Your head tucked in, my precious pearl

Chorus

Oh, Oskar, my sweet little man
Almost sixteen years, part of my plan

Oskar's Open Sky (continued)

A paw print left upon my soul
Making my fractured spirit whole

Bridge

I love you, little man, it's true
And I'll be home, I promise you
Until that day, so far away
Be the gentleman, come what may
Go charm the ladies, with your grace and style
And make them smile, just for a little while

Instrumental - strings, french horn

Final Chorus

Oh, Oskar, my sweet little man
Almost sixteen years, part of my plan
A paw print left upon my soul
Making my fractured spirit whole

Outro

Now running free, no fence in sight
Under the sun, so pure and bright
A glance behind, a loving stare
Waiting for me, a treat to share
Then off you go, across the land
My heart with yours, paw in my hand

Outro - orchestral fade

Forever in our hearts
