Bailey's Gentle Howl

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

From day one, a spirit wild and true,
A Siberian beauty, with eyes so blue.
Your gentle "arroos" would fill the air,
Healing our hearts beyond compare.
A big protective sister to sweet Daisy,
Watching over her, never lazy.
Your watchful presence, a comforting grace,
Always a smile upon your face.

Chorus

Oh, Bailey, our sweet girl, nine years we knew,
Every single moment spent with you.
A love so pure, a bond so deep,
Memories of you we'll forever keep.

Verse 2

When twilight settled and day was through,
Our favorite ritual, just me and you.
You'd snuggled your way up in our bed,
A furry pillow beneath our head.
Between us nestled, safe and warm,
Sheltering us from every storm.
A silent promise, soft and deep,
Secrets only our hearts could keep.

Chorus

Oh, Bailey, our sweet girl, nine years we knew,
Every single moment spent with you.

Bailey's Gentle Howl (continued)

A love so pure, a bond so deep,
Memories of you we'll forever keep.

Verse 3

When tempers flared and words grew hot,
You'd stand between us, right on the spot.
A gentle arooo, a paw so kind,
Leaving all arguments far behind.
You taught me joy, helped me to mend,
My very first dog, my truest friend.
A guiding star, when shadows grew deep,
Secrets only our hearts could keep.

Bridge

Now the time has come to say goodbye,
With tear-filled eyes, we watch you fly.
Our final whisper, soft and low,
"Go see Grandma and Grandpa," let your spirit glow.

Instrumental - acoustic guitar, banjo

Final Chorus

Oh, Bailey, our sweet girl, nine years we knew,
Every single moment spent with you.
A love so pure, a bond so deep,
Memories of you we'll forever keep.

Outro - acoustic guitar fade

Running free now, with all our kin,
A joyful journey, where new lives begin.
Beneath the starlight, peaceful and bright,
Bailey, forever our guiding light.

Forever in our hearts
