

Remembering Ollie

Custom Pet Memorial Songs

Bentley's Happy Howl

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

I remember the day you first walked in
A Beagle Lab with a joyous grin
Your prancing run, a sight to see
And that happy howl, so wild and free

Chorus

Oh, Bentley, our dear Bud Bud
Six and a half years, our hearts you understood
A loyal friend, a love so true
Every day was better with you

Verse 2

Mornings began with a dental treat
Evenings for Brewhound, oh so sweet
Salmon dinner, a walk in the breeze
Then cuddles on the couch, bringing us peace

Chorus

Oh, Bentley, our dear Bud Bud
Six and a half years, our hearts you understood
A loyal friend, a love so true
Every day was better with you

Verse 3

The world felt lighter with you near,
Wiping away every doubt and fear.
Your happy barks, a welcome sound,

Bentley's Happy Howl (continued)

My bestest buddy, always around.

Bridge

Go have fun buddy, no more pain for you
I love you so much, Bud Bud, it's true
I'll see you again someday, beyond the blue
Until then, my sweet boy, I'll remember you

Guitar Solo

Final Chorus

Oh, Bentley, our dear Bud Bud
Six and a half years, our hearts you understood
A loyal friend, a love so true
Every day was better with you

Outro

Now you're doing zoomies, free as a bird
Chewing your bone, without a word
Running and playing in endless grace
A smile on your face, in that peaceful place

Outro - guitar fade

Forever in our hearts
