Bobby, My Sweetest Dream

A Tribute Song

Intro - soft piano, cello

Verse 1

A tiny paw, a gentle gaze,
Through passing years and changing days.
My loyal shadow, soft and true,
My dearest friend, sweet Shih Tsu.
With happy cries, you'd greet me home,
No longer would I feel alone.
A snuggle buddy, warm and near,
Dispelling every doubt and fear.

Chorus

Oh Bobby, my sweet dream come true,
For fifteen years, my heart you drew.
A love so pure, a bond so deep,
Your memory, I'll always keep.

Verse 2

We'd curl up close, a cozy pair,
No matter if on bed or chair.
Watching the screen, side by side,
With nothing in the world to hide.
Your gentle breathing, soft and low,
A comfort that helped spirits grow.
In quiet moments, just us two,
My love for you always shone through.

Chorus

Oh Bobby, my sweet dream come true,
For fifteen years, my heart you drew.

Bobby, My Sweetest Dream (continued)

A love so pure, a bond so deep,
Your memory, I'll always keep.

Bridge

Thank you for always being there,
The bestest boy beyond compare.
Mummy will always love you, dear,
Wait for me at the rainbow bridge, my baby boy, I'll meet you there.

Instrumental - cello solo, warm synth

Final Chorus

Oh Bobby, my sweet dream come true,
For fifteen years, my heart you drew.
A love so pure, a bond so deep,
Your memory, I'll always keep.

Outro

Now running free in meadows green,
The happiest boy I've ever seen.
With Kipper, Manuka, Jasper, bright,
You're young again, bathed in soft light.

Outro - piano fade
