

Remembering Ollie

Custom Pet Memorial Songs

Momo's Gentle Smile

A Tribute Song

Intro - piano, music box

Verse 1

I remember the first time, your eyes met mine
A sweet boy waiting, a precious, loving sign
Always there to greet me, running with a happy sound
The best protector, the dearest friend I'd found

Chorus

Oh, Momo, my dear friend, ten amazing years
You filled my life with joy, and calmed away my fears
A part of my heart, a love that will always stay
I miss you, sweet boy, every single day

Verse 2

On the soft green grass, you loved to run and play
New places we explored, brightening every day
Always by my side, especially when things were tough
A loyal, brave companion, my gentle, strong stuff

Chorus

Oh, Momo, my dear friend, ten amazing years
You filled my life with joy, and calmed away my fears
A part of my heart, a love that will always stay
I miss you, sweet boy, every single day

Bridge

I wished for more time, to hold you close and near
But to see you suffer, was my greatest fear
I pray you are healthy now, happy and so free

Momo's Gentle Smile (continued)

Run joyful, sweet Momo, wait there for me

Instrumental - cello, piano

Final Chorus

Oh, Momo, my dear friend, ten amazing years
You filled my life with joy, and calmed away my fears
A part of my heart, a love that will always stay
I miss you, sweet boy, every single day

Outro

Now the house is quiet, we feel your absence here
But in my heart I know, you're free from every tear
Running healthy and joyful, beneath a gentle sky
My sweet, precious Momo, never truly goodbye.

Outro - piano fade

Forever in our hearts
