Jericho's Hearth Light

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, a nervous shake
A tiny heart, for goodness sake
Then tags would rattle, a joyful sound
As click clack footsteps paced around
On hardwood floors, a rhythmic beat
My sturdy Boxer, strong and sweet
A loyal shadow, by my side
With nowhere left for me to hide

Chorus

Jericho, my faithful friend
Eleven years, right to the end
A love like yours, so pure and true
A part of me, forever with you

Verse 2

Each night we'd settle, side by side
A quiet comfort, deep inside
Your gentle breathing, soft and slow
The special moments only we would know
Our snuggling close, a tender art
You held a corner of my heart
In peaceful slumber, soft and deep
The promises we'd always keep

Chorus

Jericho, my faithful friend
Eleven years, right to the end

Jericho's Hearth Light (continued)

A love like yours, so pure and true
A part of me, forever with you

Bridge

I whispered then, with all my heart
My blessing, miracle, right from the start
My love for you will never cease
May you now rest in perfect peace

Instrumental - acoustic guitar, harmonica

Final Chorus

Jericho, my faithful friend
Eleven years, right to the end
A love like yours, so pure and true
A part of me, forever with you

Outro

Now you're running, wild and free
With family, for all to see
No pain, no suffering, just endless grace
Until I join you, in that happy place

Outro - guitar fade

Forever in our hearts
