Tanner's Joyful Splash

A Tribute Song

Intro - ukulele, acoustic guitar

Verse 1

Our little Morkie, full of grace
A smile always on your happy face
By the pool, the sun so bright
You filled our lives with pure delight
Swimming laps, a playful dash
Each cannonball, a joyful splash
Chasing balls, a happy sound
The best friend we had ever found

Chorus

Oh, Tanner, sweet Tanner, our sunshine so true
Sixteen years of joy, spent loving you
Every day with you, a treasure so grand
The best Morkie, paw in our hand

Verse 2

Morning, noon, or fading light
Every moment, shining bright
A wagging tail, a happy bark
Leaving joy upon our mark
Your gentle nuzzle, soft and low
A love that only dogs can show

Chorus

Oh, Tanner, sweet Tanner, our sunshine so true
Sixteen years of joy, spent loving you
Every day with you, a treasure so grand
The best Morkie, paw in our hand

Tanner's Joyful Splash (continued)

Verse 3

A fierce heart, so brave and true
Always by my side, through and through
Your loyal love, a constant light
Making every day feel bright
The best boy ever, that was plain
Washing away all doubt and pain.

Bridge

I love you, my sweet boy, so dear
No more pain, no more fear
Run free, swim hard, chase every ball
You answered freedom's happy call

Ukulele Solo

Sixteen years of joy, spent loving you
Every day with you, a treasure so grand
The best Morkie, paw in our hand

Now you're swimming, in an angel's clear blue stream
Chasing endless balls, living out your dream
Running free, beneath a gentle sky
Our sweet Tanner, never truly goodbye
