Bella Rose's Gentle Watch

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

From day one, you were my best friend,
A little blue-haired spirit, till the very end.
My steady rock, through everything we knew,
I promised then, my home was always for you.

Chorus

Oh, Bella Rose, my sweet Bella Boo,
Seventeen years, my heart with you.
A gentle love, a constant light,
Shining softly, ever so bright.

Verse 2

Every time I'd walk back through my door,
You'd be waiting, wanting nothing more.
Your happy greeting, a familiar sound,
The sweetest comfort that I'd ever found.

Chorus

Oh, Bella Rose, my sweet Bella Boo,
Seventeen years, my heart with you.
A gentle love, a constant light,
Shining softly, ever so bright.

Verse 3

You'd hide your treats in cushions, a secret game you'd play,
My little Tinky Tink, digging holes by the bay.
A tiny guardian, fiercely strong and true,

Bella Rose's Gentle Watch (continued)

Even chased the street sweeper, my protector, through and through.

Chorus

Oh, Bella Rose, my sweet Bella Boo,
Seventeen years, my heart with you.
A gentle love, a constant light,
Shining softly, ever so bright.

Bridge

I love you, Bella Boo, it's going to be okay,
No more pain, you're free from it today.
You were a fighter, sweet girl, now just run,
With Dominick, grandma, and everyone.
I'll miss you more than words can ever say,
Till we're together again, my love, someday.

Instrumental - strings, piano

Final Chorus

Oh, Bella Rose, my sweet Bella Boo,
Seventeen years, my heart with you.
A gentle love, a constant light,
Shining softly, ever so bright.

Outro

Now running free, no longer in pain,
Watching over me, through sun and through rain.
With furry friends, a joyful sight,
Sleep peacefully, my darling, through the night.

Outro - piano fade
