

Remembering Ollie

Custom Pet Memorial Songs

Jetta's Faithful Heart

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we first met, a wagging tail so grand,
A faithful Labrador, with love in your paw and hand.
You'd greet us at the door, with barks of pure delight,
Then wave your tail bye-bye, a truly special sight.

Chorus

Oh, Jetta, sweet Jetta, our guiding star so bright,
Twelve years of endless joy, you filled our lives with light.
A loyal heart of gold, forever in our minds,
The purest love, the bestest friend, the truest we could find.

Verse 2

From staying at the hotel, always by our side,
To bedtime ritual moments, where secrets we could confide.
A gentle nudge, a loving lick, before you'd settle down,
The quietest of comforts, in our little town.

Chorus

Oh, Jetta, sweet Jetta, our guiding star so bright,
Twelve years of endless joy, you filled our lives with light.
A loyal heart of gold, forever in our minds,
The purest love, the bestest friend, the truest we could find.

Bridge

Momma's baby, always, a love that won't grow old,
Momma and Daddy love you, a story to be told.
For twelve years of pure love, and memories so deep,

Jetta's Faithful Heart (continued)

Forever in our hearts, your spirit we will keep.

Banjo Solo

Final Chorus

Oh, Jetta, sweet Jetta, our guiding star so bright,
Twelve years of endless joy, you filled our lives with light.

A loyal heart of gold, forever in our minds,
The purest love, the bestest friend, the truest we could find.

Outro

Now you're swimming in the lake, beneath the sky so blue,
Resting by your favorite tree, our faithful Jetta, true.
Peaceful dreams surround you, free from all alarm,
Safe within our loving thoughts, forever held from harm.

Outro - guitar fade

Forever in our hearts
