Remy's Silent Symphony

A Tribute Song

Intro - cello, piano

Verse 1

Little Frenchie, quiet and small
Never a bark, no sound at all
Your feelings shown in your sweet face
A silent language, filled with grace
Each wrinkle told a story true
My heart knew every thought you knew
A bond so deep, beyond all words
More precious than a flock of birds

Chorus

Oh, Remy, my Remy, sweet and true
Four precious years I spent with you
A part of me, forever blessed
Now you're at peace, at final rest

Verse 2

When evening came, our special time
You'd climb up close, a sweet sublime
A gentle lick upon my bald head
Before we settled down in bed
On my own pillow, by my side
Where neck and shoulder would confide
A soft warm presence, close and near
Chasing away all doubt and fear

Chorus

Oh, Remy, my Remy, sweet and true
Four precious years I spent with you

Remy's Silent Symphony (continued)

A part of me, forever blessed
Now you're at peace, at final rest

Verse 3

My faithful shadow, day by day
You brightened every single way
No bark was needed, just your grace
To make our home a happier place
Each morning sun, each passing hour
I felt your gentle, loving power
My quiet friend, my constant guide
Forever walking by my side

Bridge

I miss you every single day, my friend
You were my everything, until the end
I tried so hard, to keep you here
But Jesus needed you, my dear
Cancer free, with Him you roam
Can't wait until you lead me home

Instrumental - strings, piano

Final Chorus

Oh, Remy, my Remy, sweet and true
Four precious years I spent with you
A part of me, forever blessed
Now you're at peace, at final rest

Outro

Now with Jesus, joyful, free
No pain, no sorrow, just pure glee
Running fields of endless green
The happiest pup I've ever seen
Until we meet again, my sweet
Your loving heart, I'll always keep

Outro - strings fade

Forever in our hearts
