Jasper's Forest Rest

A Tribute Song

Intro - piano, cello

Verse 1

You came into our world, a loving, furry friend,
A chocolate coat, a joy that knew no end.
A true unconditional love, so pure and deep,
Our precious Labrador, our promises to keep.

Chorus

Oh, Jasper, dear Jasper, eight beautiful years we shared,
A bond of love beyond compare, a life truly cared.
Though silence fills the house, your spirit still resides,
In every cherished memory, where gentle comfort guides.

Verse 2

Through moonlit nights and long, familiar trails,
We walked together, heeding nature's gentle calls.
Your steady presence, a comfort by my side,
With every quiet step, my loving, loyal guide.

Chorus

Oh, Jasper, dear Jasper, eight beautiful years we shared,
A bond of love beyond compare, a life truly cared.
Though silence fills the house, your spirit still resides,
In every cherished memory, where gentle comfort guides.

Bridge

No more pain now, my sweet boy, you've earned your peaceful rest,
A good boy always, truly one of the best.
Sleep softly now, dear heart, your journey's softly done,

Jasper's Forest Rest (continued)

Underneath the quiet stars, or the rising sun.

Instrumental - piano, strings

Final Chorus

Oh, Jasper, dear Jasper, eight beautiful years we shared,
A bond of love beyond compare, a life truly cared.
Though silence fills the house, your spirit still resides,
In every cherished memory, where gentle comfort guides.

Outro - piano fade

Now running through the forest, where sunbeams softly gleam,
Cooling in the river, living out your happy dream.
A paw print on our hearts, a whisper in the breeze,
Forever loved, forever free, among the forest trees.

Forever in our hearts
