Bella's Sweet Embrace

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

A little Maltese, so soft and white,
You filled my world with pure delight.
Your cuddly warmth, a gentle art,
A lovely personality, right from the start.

Chorus

Oh, Bella, sweet Bella, it's true,
Four precious years, I cherished you.
Now silent paws, a quiet space,
I long for your loving embrace.

Verse 2

Each morning home, at nine o'clock,
You'd greet me with a happy knock.
Running and spinning, a joyful spree,
Then a small toy you'd bring to me.
Right to my mouth, a tender gift,
My weary heart, you'd always lift.

Chorus

Oh, Bella, sweet Bella, it's true,
Four precious years, I cherished you.
Now silent paws, a quiet space,
I long for your loving embrace.

Bridge

I close my eyes and see your face,

Bella's Sweet Embrace (continued)

Missing your kisses, your soft grace.
My heart aches softly, I confess,
I miss you, Bella, more than words express.

Instrumental - piano, harp

Final Chorus

Oh, Bella, sweet Bella, it's true,
Four precious years, I cherished you.
Now silent paws, a quiet space,
I long for your loving embrace.

Outro

Still by my side, I feel you near,
Chasing shadows, holding you dear.
Always with me, a comforting sight,
Sleeping peacefully, through the night.

Outro - piano fade
