Meeko, My Co-Pilot Star

A Tribute Song

Intro - acoustic guitar, synth

Verse 1

My first memory, a journey we began
A tiny Minpin, a loyal, furry friend.
You hopped right in, right by my side,
My co-driver in life, my joy, my guide.
Nine years of laughter, through sun and through rain,
A constant presence, easing every pain.
With nimble paws and spirit bright,
You filled my world with pure delight.

Chorus

Oh, Meeko, my friend, for nine years strong,
You showed me where my heart belonged.
A celebration of the love we knew,
Every moment cherished, fresh and new.

Verse 2

Six AM, the world still soft and gray,
You'd find your spot, to start the day.
Your warm body, a comfort deep and true,
Pressed close against my shoulder, Meeko, you.
A morning ritual, quiet and sweet,
Our gentle rhythm, bittersweet.
A silent promise, held so near,
Chasing away every doubt and fear.

Chorus

Oh, Meeko, my friend, for nine years strong,
You showed me where my heart belonged.

Meeko, My Co-Pilot Star (continued)

A celebration of the love we knew,
Every moment cherished, fresh and new.

Bridge

My heart is broken, a void so wide,
Since you crossed the rainbow to the other side.
But I hold onto hope, a guiding star,
Till we meet again, no matter how far.

Instrumental - synth, drums

Final Chorus

Oh, Meeko, my friend, for nine years strong,
You showed me where my heart belonged.
A celebration of the love we knew,
Every moment cherished, fresh and new.

Outro

Now you're looking down, a watchful eye,
My little co-pilot, soaring high.
In your final home, patiently you wait,
I'll join you there, beyond the gate.
Running free, across the golden plains,
Till our love reunites, through sunshine and rains.

Outro - acoustic guitar fade
