Charlie Girl, Chasing Butterflies

A Tribute Song

Intro - piano, strings

Verse 1

With fluffy paws and loyal heart,
You played a loving, faithful part.
Through fourteen years right by my side,
My sweet Charlie, my honest guide.
You loved the water, loved to swim,
Chasing your ball, joy to the brim.
A tiny shadow, brave and true,
My world was always better with you.

Chorus

Oh, Charlie Girl, my sweet delight,
You filled my days with pure bright light.
Fourteen years, a cherished dream,
You were my everything, it would seem.

Verse 2

Each morning woke to gentle licks,
Your loving kisses, simple tricks.
Coming home, your happy spins,
A joyful dance where love begins.
Our morning walks, a peaceful start,
Forever etched within my heart.
Your playful spirit, quick and keen,
The sweetest dog I've ever seen.

Chorus

Oh, Charlie Girl, my sweet delight,
You filled my days with pure bright light.

Charlie Girl, Chasing Butterflies (continued)

Fourteen years, a cherished dream,
You were my everything, it would seem.

Bridge

I'll always love you, my sweet little world,
Around my heart your memory is swirled.
When I walk into heaven, the angels will say,
"Your Charlie Girl is waiting, come what may."

Instrumental - strings, piano

Final Chorus

Oh, Charlie Girl, my sweet delight,
You filled my days with pure bright light.
Fourteen years, a cherished dream,
You were my everything, it would seem.

Now free to see, no longer blind,
The sweetest freedom you will find.
Chasing butterflies, light and free,
Running for your ball, happily.
