Intro - piano, strings

Verse 1

You were a velcro dog right from the start
Always by my side, a faithful heart
Cuddling close while TV played, a gentle sound
My kitchen shadow, never far around
Hoping for some chicken pieces from my hand
The sweetest beagle mix throughout the land
With eyes of adoration, pure and bright
You filled my every day with warmth and light

Chorus

Oh, Gummy Bear, my loyal friend so true
Thirteen precious years I spent with you
A love like ours, a bond so deep and grand
The best companion in all the land

Verse 2

I loved your wagging tail at the kitchen gate
A happy greeting, never to be late
Relaxing on the couch, your head upon my lap
Enjoying every cuddle, safe within your trap
Those adoring eyes, a gaze I'll always see
Reflecting back the joy you brought to me
A quiet presence, comforting and kind

Gummy Bear's Adoring Heart (continued)

The sweetest soul I could ever find

Chorus

Oh, Gummy Bear, my loyal friend so true
Thirteen precious years I spent with you
A love like ours, a bond so deep and grand
The best companion in all the land

Verse 3

Our car rides were adventures, errands through the town
At the pharmacy window, you'd never make a sound
With dog puzzles you'd work, a mental sweat for treats
So smart and determined, loving all your feats
Curled in "Horseshoe" comfort, between our legs you'd lay
Playing "Find Me" in the house, brightened every day
Your fenced-in backyard, where you'd roam and explore
Befriending the rabbits, wanting nothing more.

Bridge

You were the best dog ever, I love you so much it's true
I'll see you again soon someday, in skies of endless blue
My final whisper sent with kisses, soft and deep
Until we meet again, my sweet boy, while I weep

Instrumental - strings, oboe

Final Chorus

Oh, Gummy Bear, my loyal friend so true
Thirteen precious years I spent with you
A love like ours, a bond so deep and grand
The best companion in all the land

Outro

Now you're in heaven with my dad, a peaceful place
Enjoying good sniffs in nature, with joyful grace
Making doggie friends, and tasty treats so sweet
Napping in the shade, your journey now complete

Outro - cello fade

Forever in our hearts
