Jäger's Endless Field

A Tribute Song

Intro - piano, strings

Verse 1

A German Shepherd's loyal gaze,
Across the years, through countless days.
I remember when you came to me,
A puppy's joy, wild and free.
Your first big ball, a treasured prize,
Reflecting light within your eyes.
Our walks to the park, a happy quest,
Putting our bond to the test.

Chorus

Oh Jäger, my sweet boy, it's true,
Ten years and months, my heart with you.
A love like yours, so strong and deep,
Precious memories I will keep.

Verse 2

Those early mornings, fresh and bright,
Bathed in the golden morning light.
At the park, where joy would bloom,
Dispelling shadows, chasing gloom.
You'd stand so tall, a noble sight,
Ready for chase, with all your might.
Your happy bark, a joyful sound,
As your beloved ball was found.

Chorus

Oh Jäger, my sweet boy, it's true,
Ten years and months, my heart with you.

Jäger's Endless Field (continued)

A love like yours, so strong and deep,
Precious memories I will keep.

Verse 3

A gentle giant, full of grace,
A loving spirit in this place.
To run and play, your greatest joy,
Our happy, loyal, German boy.
Each time we came back through the door,
Your joyous welcome we adored.
With all the crew, a happy sound,
The dearest friend we ever found.

Bridge

Now chase all the balls, without any pain,
Through sunlit fields, or gentle rain.
I'll see you again across the bridge, my dear,
Until then, know my love is always near.
I love you, Jäger, forever more,
Waiting for you on that distant shore.

Instrumental - strings, piano

Final Chorus

Oh Jäger, my sweet boy, it's true,
Ten years and months, my heart with you.
A love like yours, so strong and deep,
Precious memories I will keep.

Outro

Running free, where breezes play,
Chasing your ball, throughout the day.
Then resting soft, beneath a tree,
In cool green grass, eternally.

Outro - strings fade
