Ellie Mae's Meadow Light

A Tribute Song

Intro - acoustic guitar, glockenspiel

Verse 1

On the front porch step, a gentle gaze
Ellie Mae, through all our days
Waiting for her friends to pass on by
A happy sigh beneath the sky
Never a beg, no hungry plea
Just pure contentment, wild and free
A little pug-beagle, strong and true
My world was brighter, thanks to you

Chorus

Ellie Mae, my meadow light
Thirteen years, so pure and bright
Every moment, a treasured art
Forever etched within my heart
Ellie Mae, my sweet dear friend
A love like ours will never end

Verse 2

Through the green meadow, side by side we'd roam
Thirteen years, we walked our way home
Every sunrise, every peaceful view
My hand in fur, always with you
You knew my silence, heard my plea
A perfect love, for all to see
You didn't need a single word
My every feeling, clearly heard

Chorus

Ellie Mae's Meadow Light (continued)

Ellie Mae, my meadow light
Thirteen years, so pure and bright
Every moment, a treasured art
Forever etched within my heart
Ellie Mae, my sweet dear friend
A love like ours will never end

Bridge

Thank you for knowing what my heart would need
Planting kindness like a precious seed
Loving unconditionally, pure and deep
Promises your gentle spirit keeps
You were perfect, in every single way
A guiding light, until this day

Instrumental - banjo, acoustic guitar

Final Chorus

Ellie Mae, my meadow light
Thirteen years, so pure and bright
Every moment, a treasured art
Forever etched within my heart
Ellie Mae, my sweet dear friend
A love like ours will never end

Outro

Now in heaven, with friends all around
On celestial, happy ground
Waiting patiently, serene and kind
A love like yours, so hard to find
Ellie Mae, sleep soft and deep

Outro - glockenspiel fade

Forever in our hearts
