

Remembering Ollie

Custom Pet Memorial Songs

Their Gentle Whispers, My Guiding Stars

A Tribute Song

Intro - piano, synth

Verse 1

Lucas, my couch companion, so near
In the kitchen, you chased away my fear
Bianco, my shadow, my love, so true
On my pillow, each morning with you
Bella, the girl I brought from the street
Trusted only me, oh so sweet
My little girl, close to my heart
You never wanted to ever depart

Chorus

Oh, Lucas, Bianco, and Bella, my dears
You filled my life through all the years
Ten, nine, and fourteen, a love so profound
The sweetest comfort I've ever found

Verse 2

Bianco heard me from a mile away
First at the door, brightening my day
Lucas would run, with a happy sound
Whenever my footsteps were heard all around
Bella would shake, waiting on the couch
For kisses and cuddles, no hint of a slouch
My gentle protector, Lucas so bold
A story of loyalty, forever told

Chorus

Oh, Lucas, Bianco, and Bella, my dears
You filled my life through all the years

Their Gentle Whispers, My Guiding Stars (continued)

Ten, nine, and fourteen, a love so profound
The sweetest comfort I've ever found

Bridge

Bianco, Mamma's love, that will never change
Lucas, your voice, still within my range
Bella, my girl, dancing free and bright
"I hope you dance," you heard that last night
Saving you was the best thing I've done
Send me signs, till my journey is run

Instrumental - piano, cello

Final Chorus

Oh, Lucas, Bianco, and Bella, my dears
You filled my life through all the years
Ten, nine, and fourteen, a love so profound
The sweetest comfort I've ever found

Outro

Bianco, still the boss, I know it's true
Lucas, talking in heaven, with Bella and you
And Bella, no longer afraid, you dance with glee
Safe in heaven, waiting patiently for me

Outro - piano fade

Forever in our hearts
