Frankie boi's Gentle Gaze

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Your gentle gaze, a light so true,
Big beautiful eyes, shining through.
A sweet boi, buff, and full of grace,
Love radiated from your face.
Chihuahua Fox terrier, small and grand,
The kindest heart in all the land.
My playful soccer player, quick and keen,
The sweetest pet I've ever seen.

Chorus

Oh, Frankie boi, my precious friend,
Seventeen years, a love without end.
You brought me joy, you brought me peace,
A bond that time can't cease.

Verse 2

At six o'clock, by the door you'd wait,
Anticipating my return, never late.
Your little ears would always know,
The sound of footsteps, soft and low.
Then a gentle rub against my chest so near,
A "Hug-a-mama" to banish every fear.
With tiny tennis ball or cherished doll,
You gave your playful heart and all.

Chorus

Oh, Frankie boi, my precious friend,
Seventeen years, a love without end.

Frankie boi's Gentle Gaze (continued)

You brought me joy, you brought me peace,
A bond that time can't cease.

Bridge

My heart and soul, my precious son,
Our journey here is never done.
Be free, my baby, no more pain,
Until we meet again.
Thank you for choosing me, your Human mommy, true,
My immense love forever goes to you.

Instrumental - cello, piano

Final Chorus

Oh, Frankie boi, my precious friend,
Seventeen years, a love without end.
You brought me joy, you brought me peace,
A bond that time can't cease.

Outro

Now you're running free, where wildflowers grow,
Across the Rainbow Bridge, a vibrant glow.
No more pain, just peace and endless grace,
A happy smile upon your face.
Playing soccer with your favorite toy,
Eating treats, filled with pure joy.
My sweet Frankie boi, dream softly now,
You keep the promises of love somehow.

Outro - piano fade
