Poppy's Gentle Goodbye

A Tribute Song

Intro - piano, cello

Verse 1

The door would open, and there you'd be,
A tiny shadow, so happy to see me.
Your little tail wagging, a joyful sight,
Ready for adventure, morning and night.
Those daily walks, your favorite treat,
Pitter-patter of your tiny feet.
You'd lead the way, so proud and bold,
A loving story, forever told.

Chorus

Oh, Poppy, my dear, through thirteen long years,
You chased away all my worries and fears.
A love so pure, a bond so deep,
Treasured memories, my heart will keep.

Verse 2

As daylight faded and stars appeared,
Our quiet moments, so often endeared.
Curled on my lap, a warm, soft embrace,
Finding your comfort, in your special place.
A gentle snore, a loving sigh,
Beneath the moon, as hours went by.
Those evening cuddles, a precious art,
Forever etched within my heart.

Chorus

Oh, Poppy, my dear, through thirteen long years,
You chased away all my worries and fears.

Poppy's Gentle Goodbye (continued)

A love so pure, a bond so deep,
Treasured memories, my heart will keep.

Bridge

Though silence now fills the empty air,
A part of my soul, you'll always share.
You were my hardest goodbye, I confess,
My sweet Poppy, I love you, no less.

Instrumental - piano, acoustic guitar

Final Chorus

Oh, Poppy, my dear, through thirteen long years,
You chased away all my worries and fears.

A love so pure, a bond so deep,
Treasured memories, my heart will keep.

Outro

Now running free, on fields of light,
Playing fetch, bathed in sunshine bright.
No more pain, no more struggle there,
Just joyful spirit, beyond compare.

Outro - piano fade

Forever in our hearts
