Romeo's Sunlit Purr

A Tribute Song

Intro - grand piano, strings

Verse 1

A flicker of cream, a touch of red, a beautiful sight,
My Flame Pointe Siamese, full of such light.
You stood so strong, so brave, a mama's own boy,
Sharing your heart with Juliet and Callie, bringing such joy.
The family adored you, our precious, unique friend,
A bond like no other, until the very end.
In every room, your presence, a comforting grace,
Leaving a warmth no time can erase.

Chorus

Oh, Romeo, my love, my sweet,
For ten cherished years, our lives felt complete.
A purring heart, a gentle soul,
Making our fractured spirits whole.

Verse 2

Each evening, a ritual, just you and I,
Snuggled so close beneath the sky.
On the soft sofa, or beside me in bed,
Your rumbling purr, softly said.
A sound so strong, a vibrant hum,
Telling me all the love that was to come.
Those moments of quiet, so deeply felt,
A gentle affection, so warmly dealt.

Chorus

Oh, Romeo, my love, my sweet,
For ten cherished years, our lives felt complete.

Romeo's Sunlit Purr (continued)

A purring heart, a gentle soul,
Making our fractured spirits whole.

Bridge

My big boy, I still feel you right here by my side,
In every memory, my love, you confide.
My brave, fast, beautiful boy, forever you'll be,
A part of my heart, wild and free.

Instrumental - strings, piano

Final Chorus

Oh, Romeo, my love, my sweet,
For ten cherished years, our lives felt complete.
A purring heart, a gentle soul,
Making our fractured spirits whole.

Outro

Now you're rolling in the sun, in fields of gold,
A big feast awaits, stories untold.
Chasing butterflies, catching bubbles in flight,
Running free, bathed in endless light.

Outro - string fade
