Sammie, My Gentle Shade

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, my heart just knew,
A devoted friend, loyal and true.
My constant shadow, close by my side,
No matter the sunshine, nowhere to hide.
From sunny park to ocean's soft breeze,
You'd find your comfort, beneath the cool trees.
Even a surfboard, a stranger's warm lap,
You'd claim your haven, escape the sun's trap.

Chorus

Oh, Sammie, my boy, thirteen years we shared,
A love so pure, beyond all compare.
Through every season, sunshine and rain,
You eased my burdens, calmed every pain.

Verse 2

Our midday walks, a cherished delight,
In the green park, bathed in golden light.
Then car rides together, windows down low,
To special places, wherever we'd go.
Your happy sigh, a comforting sound,
The sweetest companion I ever found.
Always eager, ready to roam,
Making every moment feel like home.

Chorus

Oh, Sammie, my boy, thirteen years we shared,
A love so pure, beyond all compare.

Sammie, My Gentle Shade (continued)

Through every season, sunshine and rain,
You eased my burdens, calmed every pain.

Bridge

Now the quiet hours stretch so long,
Missing your presence, a silent song.
I miss you, my bestest buddy, my boy,
You brought such comfort, you brought such joy.

Instrumental - acoustic guitar, harmonica

Final Chorus

Oh, Sammie, my boy, thirteen years we shared,
A love so pure, beyond all compare.
Through every season, sunshine and rain,
You eased my burdens, calmed every pain.

Outro - acoustic guitar fade

By the Rainbow Bridge, beneath the soft glow,
In gentle shade, you wait for me, I know.
Resting patiently, with a peaceful head,
Until we meet again, my sweet boy, ahead.

Forever in our hearts
