Mocha's Happy Heartbeat

A Tribute Song

Intro - ukulele, acoustic guitar

Verse 1

I'd walk through the door, a sound I loved to hear,
Your tiny nails on the floor, banishing all fear.
One ear cocked just for me, a joyful, happy stare,
So much pure delight, a love beyond compare.
We'd dress you up in outfits, you wore them with such pride,
Then out for walks we'd venture, with purpose by my side.
You'd sniff and mark your territory, every single spot,
Then wait for my command before you'd quickly trot.

Chorus

Oh, Mocha, my sweet boy, ten amazing years flew past,
A bond like ours, a memory that will forever last.
Your happy heart still echoes, a warmth inside my soul,
Making every moment beautiful and whole.

Verse 2

In afternoons and evenings, just you and me alone,
You'd be right there beside me, my feelings you had known.
A silent, gentle comfort, when shadows would descend,
A loyal, loving presence, my truest, dearest friend.
You'd always get my dinner scraps, a special, tasty treat,
And bark a single warning when someone crossed my street.
But if my sister tried to rub your belly, oh so fast,
A little growl would rumble, a moment built to last.

Chorus

Oh, Mocha, my sweet boy, ten amazing years flew past,
A bond like ours, a memory that will forever last.

Mocha's Happy Heartbeat (continued)

Your happy heart still echoes, a warmth inside my soul,
Making every moment beautiful and whole.

Bridge

You were my everything, my little, furry king,
The joy and peace you brought me, a sweet, eternal thing.
I whispered it so often, with all my heart, it's true,
"I loved you so much, mehe, I'll always think of you."

Ukulele Solo

Final Chorus

Oh, Mocha, my sweet boy, ten amazing years flew past,
A bond like ours, a memory that will forever last.
Your happy heart still echoes, a warmth inside my soul,
Making every moment beautiful and whole.

Outro

Now you're barking at dogs, in fields of endless green,
Playing with furry friends, the happiest I've seen.
Cuddles, treats, and petting, no pain, just gentle ease,
A soft and steady heartbeat, carried on the breeze.

Outro - guitar fade
