Maddy's Gentle Hug

A Tribute Song

Intro - piano, synth pad

Verse 1

The first time that we met, a gentle giant stood,
With a loving heart, so often misunderstood.
Your beautiful smiles when we walked through the door,
And your happy butt wiggle, asking for more.

Chorus

Oh, Maddy, my sweet Maddy, my dear,
Seven beautiful years, holding you near.
A comforting presence, soft and profound,
The purest love we've ever found.

Verse 2

Each morning you'd greet me, a soft, loving sound,
In the quiet of dawn, you'd always be found.
A routine so simple, a scratch on your rear,
Your little nub wiggled, banishing fear.
Then a gentle, big hug, my heart understood,
You were always so loving, so perfectly good.

Chorus

Oh, Maddy, my sweet Maddy, my dear,
Seven beautiful years, holding you near.
A comforting presence, soft and profound,
The purest love we've ever found.

Bridge

I love you more than you'll ever know, my sweet friend,

Maddy's Gentle Hug (continued)

Have fun now and enjoy, until the very end.
Please forgive me for letting you go, it was so hard to say,
But your spirit is free, shining bright on your way.

Instrumental - cello, piano

Final Chorus

Oh, Maddy, my sweet Maddy, my dear,
Seven beautiful years, holding you near.
A comforting presence, soft and profound,
The purest love we've ever found.

Outro

Now you're playing with Nuka and Dakota, carefree and grand,
Running free in a beautiful, loving land.
No more pain, just pure joy, as you sleep and you play,
Until we meet again, someday.

Outro - piano fade
