

Remembering Ollie

Custom Pet Memorial Songs

Nala's Forever Sunshine

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, a little brown face
A lab pup's joy, a happy chase
Up on the desk, a daring feat
My salsa bowl, a stolen treat
A silly grin, a wagging stump
My heart you won, with every jump
A loving soul, so full of grace
Right from that day, you found your place

Chorus

Oh, Nala, my sweet girl, my best friend true
Ten wonderful years, I spent with you
A bond so deep, a love so grand
Forever etched, across this land

Verse 2

Each morning light, a gentle nudge
Your sleepy head, a soft, warm hug
Our early cuddles, close and deep
Sweet silent promises we'd keep
Then from my work, the long day done
Your wagging tail, beneath the sun
A happy dance, a joyful sound
The best welcome, to be found

Chorus

Oh, Nala, my sweet girl, my best friend true
Ten wonderful years, I spent with you

Nala's Forever Sunshine (continued)

A bond so deep, a love so grand
Forever etched, across this land

Bridge

Now drink all the salsa, dear, that you desire
Run with no pain, igniting your soul's fire
Wait for me there, 'til we meet again above
My baby girl, forever steeped in my love

Instrumental - harmonica, acoustic guitar

Final Chorus

Oh, Nala, my sweet girl, my best friend true
Ten wonderful years, I spent with you
A bond so deep, a love so grand
Forever etched, across this land

Outro

Now you're running free, with Shelia by your side
Cuddled with Buggy, where sunbeams softly ride
And Sparky, my first love, you're getting to know
In fields of sunshine, your gentle spirit will glow
Rest now, sweet girl, no more goodbyes to keep
Just endless joy, in your peaceful sleep

Outro - guitar fade

Forever in our hearts
