Sevieri's Sunshine

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The day we met, you picked me out with grace,
A little pibble, found your destined place.
You climbed right up upon my lonely shoulder,
A tiny rescuer, brave and growing bolder.
You wouldn't let go, a love so pure and true,
My heart knew then, I'd always be with you.
From that first touch, my world began to mend,
My truest, dearest, most loyal friend.

Chorus

Oh, Sevieri, my sweet baby girl,
You spun sunshine into my whole world.
Sixteen years of love, a precious, tender art,
Forever held safe within my heart.

Verse 2

When I walked in, you'd greet me with a bark,
Sharing your day, a bright and happy spark.
Then in our bed, for comfort deep and wide,
You'd nibble blankets, snuggled by my side.
Your tater head rested soft on my arm,
Keeping me safe and away from all harm.
Those peaceful moments, as you drifted off to sleep,
Memories of joy, my soul will always keep.

Chorus

Oh, Sevieri, my sweet baby girl,
You spun sunshine into my whole world.

Sevieri's Sunshine (continued)

Sixteen years of love, a precious, tender art,
Forever held safe within my heart.

Bridge

My perfect angel, with a loving gaze so keen,
You gave me sunshine, a beautiful, vibrant scene.
So get those runs in, chase every single ball,
Have all the barks you can, stand up proud and tall.
Nibble your blanket, dream until I'm there,
My love for you, beyond compare.

Instrumental - piano, strings

Final Chorus

Oh, Sevieri, my sweet baby girl,
You spun sunshine into my whole world.
Sixteen years of love, a precious, tender art,
Forever held safe within my heart.

Outro

I see you now, on golden sands so wide,
Chasing tennis balls, with Mom right by your side.
Along the shoreline, barking with pure delight,
Running in circles, shining ever so bright.

Outro - piano fade
