

Remembering Ollie

Custom Pet Memorial Songs

Favvy's Gentle Guard

A Tribute Song

Intro - Piano, Cello

Verse 1

From the start, a Doberman so grand,
A favorite toy always in your hand.
A loyal spirit, strong and true,
Your happy barks would see us through.
So full of life, a playful sound,
Even with a toy, joy could be found.
Your spirit bright, a loving light,
Filling our days, morning to night.

Chorus

Oh, Favvy, Favvy, my sweet boy,
Nearly twelve years of endless joy.
A quiet whisper, soft and deep,
Treasured memories we will keep.

Verse 2

The safest feeling, soft and low,
As you slept beside me, gentle glow.
Upon my bed, a cozy space,
Your peaceful presence, full of grace.
A loyal heart, a gentle soul,
Making my spirit feel so whole.
Each quiet breath, a loving sound,
The truest comfort could be found.

Chorus

Oh, Favvy, Favvy, my sweet boy,
Nearly twelve years of endless joy.

Favvy's Gentle Guard (continued)

A quiet whisper, soft and deep,
Treasured memories we will keep.

Bridge

I loved you so, from the very first day,
When I helped your tiny form make its way.
Such joy you brought to everyone near,
An amazing puppy, banishing all fear.
You never grew old, in spirit so bright,
Forever shining, my guiding light.

Instrumental - Harp, Piano

Final Chorus

Oh, Favvy, Favvy, my sweet boy,
Nearly twelve years of endless joy.
A quiet whisper, soft and deep,
Treasured memories we will keep.

Outro

Now with your mum, Miss Lilly so dear,
And King, your dad, banishing all fear.
A family reunited, whole and complete,
Running free on happy, peaceful feet.

Outro - Cello fade

Forever in our hearts
