Silvermist's Gentle Light

A Tribute Song

Intro - piano, strings

Verse 1

From the moment you arrived, a joy so deep and true,
My world was filled with laughter, because of you.
A precious little pug, with a spirit bright and kind,
The sweetest loyal companion, so hard to leave behind.
Each day you made brighter, with your unique, charming way,
Chasing shadows, wagging tail, you brightened every day.
Your gentle snorts and wiggles, a comfort to my soul,
Making every moment precious, making my life whole.

Chorus

Oh, Silvermist, my dear, after nine cherished years,
You filled my life with sunshine, calming all my fears.
A love so pure and steadfast, a bond that won't depart,
Forever you'll be shining, deep within my heart.

Verse 2

We loved our drives in the car, feeling the wind so free,
And gentle walks together, just you and me.
Your head upon my lap, a cuddle soft and warm,
Protecting me always, through sunshine and through storm.
Those quiet, tender moments, I'll forever hold them dear,
Whispering sweet secrets, banishing every fear.
Your funny little habits, a smile they always brought,
A love beyond all measure, a lesson you have taught.

Chorus

Oh, Silvermist, my dear, after nine cherished years,
You filled my life with sunshine, calming all my fears.

Silvermist's Gentle Light (continued)

A love so pure and steadfast, a bond that won't depart,
Forever you'll be shining, deep within my heart.

Bridge

Thank you for your love, so constant and so true,
A cherished part of our family, everything you saw us through.
My little heart, I know you're watching, from a star above,
Surrounded by pure comfort, endless peace and love.

Instrumental - strings, oboe

Final Chorus

Oh, Silvermist, my dear, after nine cherished years,
You filled my life with sunshine, calming all my fears.
A love so pure and steadfast, a bond that won't depart,
Forever you'll be shining, deep within my heart.

Outro - piano fade

Now run free, my darling, on soft, endless green,
Where sunshine always glistens, the happiest you've been.
With all the treats you could wish for, a life forever bright,
Silvermist, my sweet pug, forever bathed in light.

Forever in our hearts
