Cali's Endless Joy

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The moment we met, you drew us near,
A little Frenchie, banishing all fear.
With unconditional love, you showed the way,
Happy and grateful, every single day.
A loyal friend, always by our side,
With snacks and pup cups, you'd always confide.
Though hardships came, you brightened the room,
Chasing away shadows, lifting every gloom.

Chorus

Oh, Cali, sweet Cali, our precious dear,
Just three short years, but you wiped every tear.
A huge impact, a heart so true,
Our world was better, because of you.

Verse 2

Evening walks with Coby, a joyful sight,
In your little stroller, shining ever so bright.
The neighborhood watched, with smiles and with grace,
You found comfort and love in every embrace.
Through life's hard times, you were our saving light,
Best sister to Coby, shining so bright.
Always ready for a car ride, a cherished desire,
Fueling our spirits, setting hearts afire.

Chorus

Oh, Cali, sweet Cali, our precious dear,
Just three short years, but you wiped every tear.

Cali's Endless Joy (continued)

A huge impact, a heart so true,
Our world was better, because of you.

Bridge

We love you, Cali, strongest and gorgeous so,
With a huge heart and a beautiful soul, we know.
You brought us endless joy and happiness, it's true,
Your magical love shines forever through.

Instrumental - cello, piano

Final Chorus

Oh, Cali, sweet Cali, our precious dear,
Just three short years, but you wiped every tear.
A huge impact, a heart so true,
Our world was better, because of you.

Outro

No more suffering, no more pain you bear,
With sweet Quinn in heaven, a feast beyond compare.
Steak galore, running free, under skies so blue,
Sleeping peacefully, our love embracing you.

Outro - piano fade

Forever in our hearts
