# Gracie's Gentle Fight

*A Tribute Song*

---

**Intro - piano, synth pads**

**Verse 1**

From the very start, you fought so brave,  
A tiny soul, a life to save.  
My sweet Lab puppy, with eyes so bright,  
You loved hot dogs with all your might.  
Such a small warrior, full of grace,  
Bringing joy to every space.  
A precious bundle, soft and warm,  
You weathered life's early storm.

**Chorus**

Oh, Gracie, my dear, though our time was so brief,  
Just seven months, too short for belief.  
A love like yours, a light so true,  
Forever I'll cherish the memories of you.

**Verse 2**

When dinner neared, a special sound,  
You'd lift yourself from the soft ground.  
With every effort, you'd make your way,  
To the kitchen, for the close of day.  
A determined spirit, strong and bold,  
A story in your heart to unfold.  
Little paws pattering, a joyful sight,  
Filling our home with pure delight.

**Chorus**

Oh, Gracie, my dear, though our time was so brief,  
Just seven months, too short for belief.

*Gracie's Gentle Fight (continued)*

A love like yours, a light so true,  
Forever I'll cherish the memories of you.

**Bridge**

I pray you're negotiating, far and wide,  
For a strong, healthy body, held deep inside.  
A new beginning, where you can roam free,  
Someday, my darling, to come back to me.  
"I love you and I always will," I softly whisper low,  
As in my heart, your gentle spirit glows.

**Instrumental - soft strings, piano**

**Final Chorus**

Oh, Gracie, my dear, though our time was so brief,  
Just seven months, too short for belief.  
A love like yours, a light so true,  
Forever I'll cherish the memories of you.

**Outro**

Now sleep in peace, my sweet, sweet friend,  
Until our paths may meet again.  
Perhaps you're running, strong and bright,  
Bathed in eternal, gentle light.

**Outro - piano fade**

*Forever in our hearts*
