Tucker's Evening Snuggles

A Tribute Song

Intro - soft piano, synth pads

Verse 1

The day you came, a tiny friend
My heart knew then, a love would send
With big round eyes, a gentle gaze
You stepped right in, to fill my days
So small and sweet, a loyal soul
You made my lonely spirit whole
A little shadow, soft and true
My world grew brighter just with you

Chorus

Oh, Tucker, my sweet boy, so true
Eight wonderful years I spent with you
A constant comfort, soft and warm
You sheltered me through every storm
My loving pug, my dearest friend
A bond like ours will never end

Verse 2

When shadows stretched, and day was done
At 8 PM, your race was run
You'd find your spot, a cozy place
A sleepy sigh upon your face
A quiet presence, always near
Dispelling every single fear
You'd burrow deep, a gentle weight
My heart would always celebrate

Chorus

Tucker's Evening Snuggles (continued)

Oh, Tucker, my sweet boy, so true
Eight wonderful years I spent with you
A constant comfort, soft and warm
You sheltered me through every storm
My loving pug, my dearest friend
A bond like ours will never end

Bridge

Though silence sits where you once lay
Your spirit shines, lighting my way
I love you, my Tuck, Tuck, my dear
Your memory dries each lonely tear

Instrumental - glockenspiel, piano

Final Chorus

Oh, Tucker, my sweet boy, so true
Eight wonderful years I spent with you
A constant comfort, soft and warm
You sheltered me through every storm
My loving pug, my dearest friend
A bond like ours will never end

Outro

Now running free, so light and fast
A happy dream, forever cast
Just waiting there, beyond the blue
My heart knows I'll be there with you

Outro - synth pad fade
