Luna's Gentle Light

A Tribute Song

Intro - piano, strings

Verse 1

The day we met, a sight so grand,
The prettiest dog in all the land.
With eyes so deep and fur so bright,
A Cocker Spaniel, filled with light.
Your floppy ears, a gentle sway,
You stole my heart that very day.
A precious gift, a dream come true,
My world felt brighter, all thanks to you.

Chorus

Oh, Luna, my sweet girl, my dear,
For thirteen years and ten, you banished fear.
Your love a comfort, soft and true,
My heart remembers, always you.

Verse 2

Each day you'd meet me at the door,
With happy barks and asking for more.
A wagging tail, a joyful sound,
The purest love that could be found.
You'd lean your head against my hand,
The best companion in the land.
A happy sigh, a loving gaze,
Through all our happy, golden days.

Chorus

Oh, Luna, my sweet girl, my dear,
For thirteen years and ten, you banished fear.

Luna's Gentle Light (continued)

Your love a comfort, soft and true,
My heart remembers, always you.

Bridge

I whispered softly, "I love you so much, my sweet girl,"
As you drifted peacefully from this world.
That tender phrase, it still remains,
Washing over me like gentle rains.

Instrumental - piano, strings

Final Chorus

Oh, Luna, my sweet girl, my dear,
For thirteen years and ten, you banished fear.
Your love a comfort, soft and true,
My heart remembers, always you.

Outro - piano fade

Now running free, no pain or sorrow,
Across the fields, a bright tomorrow.
Sleeping softly, light and deep,
While precious memories I will keep.

Forever in our hearts
