Verse 1

The sound of tiny paws on the floor,
A gentle rhythm we adored.
Your little nails, a soft "click click,"
To greet us quickly, a joyful trick.
Then curled up close, a sleepy sigh,
We'd hear your snores as hours flew by.
A quiet comfort, soft and deep,
While you were lost in puppy sleep.

Chorus

Oh, Abby, our sweet guiding light,
For thirteen years, you made life bright.
Our precious daughter, small and bold,
A love story truly told.

Verse 2

Each time we came back to our door,
You'd meet us there, wanting more.
With morning zoomies, full of glee,
Just happy always to be near to me.
A wagging tail, a happy bark,
You chased the shadows in the dark.

Abby's Guiding Light (continued)

Your loving presence, warm and true,
In every moment, we felt you.

Chorus

Oh, Abby, our sweet guiding light,
For thirteen years, you made life bright.
Our precious daughter, small and bold,
A love story truly told.

Verse 3

You brought such joy to all you knew,
To Erika, Edgar, and Cheeto too.
Our family and friends felt your delight,
A little star, shining so bright.
Your beautiful eyes, a tender plea,
Showed us we were your only sea.
Our world was truly found in you,
Our "little potato," loved and true.

Verse 4

Such happiness you filled our home,
For Erika, Edgar, and wherever we'd roam.
To brother Cheeto, friends, and kin,
You let a special light shine in.
Your beautiful eyes, a tender gaze,
Showed us you lived for all our days.
Our sweet "little potato," loved so true,
Our world revolved around just you.

Bridge

Thank you, sweet girl, our precious light,
You filled our lives with pure delight.
Not just for us, but all you knew,
And thank you for being our doggy daughter too.

Instrumental - piano, strings

Final Chorus

Oh, Abby, our sweet guiding light,
For thirteen years, you made life bright.
Our precious daughter, small and bold,
A love story truly told.

Outro

Abby's Guiding Light (continued)

Now running freely, young and bright,
No tears, no pain, just pure delight.
With strong heart barking, full of cheer,
Eating Momma's chicken, without fear.
Being yourself, forever more,
Waiting softly on the other shore.

Outro - piano fade

Forever in our hearts
