Harley's Gentle Paw

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The first time I saw your bright, eager face
A blur of black fur, full of grace
Christmas morning, paper flying wide
With every ribbon, right by my side

Chorus

Oh, Harley, thirteen years we knew
Every day, my loyal, faithful, friend and true
A gentle paw, a loving gaze
Lost in the comfort of our yesterdays

Verse 2

Down winding paths, beneath the sun
Our daily journey, never quite done
Your patient spirit, calm and deep
Sweet memories now, for me to keep

Chorus

Oh, Harley, thirteen years we knew
Every day, my loyal, faithful, friend and true
A gentle paw, a loving gaze
Lost in the comfort of our yesterdays

Bridge

You were the best dog, it's plain to see
So kind and smart, you meant the world to me
Loved beyond measure, with all my heart

Harley's Gentle Paw (continued)

I miss you, Harley, till we meet again, my sweet counterpart

Harmonica Solo

Final Chorus

Oh, Harley, thirteen years we knew
Every day, my loyal, faithful, friend and true
A gentle paw, a loving gaze
Lost in the comfort of our yesterdays

Outro

Now you're swimming free, in a peaceful lake
No more pain, for goodness sake
Just endless waters, calm and wide
Harley, forever by my side, in my heart you will abide

Forever in our hearts
