Choco's Gentle Glow

A Tribute Song

Intro - piano, cello

Verse 1

Tiny steps and a mighty sound,
A demanding bark across the ground.
A little Yorkie, brave and bold,
A story only we could hold.
You chose me then, with eyes so bright,
Declared me yours, my guiding light.
My favorite human, that you'd say,
And melt my worries all away.

Chorus

Oh Choco, my dear, a bond so true,
Sixteen long years, I spent with you.
My little shadow, by my side,
Forever in my heart, you'll hide.

Verse 2

Each evening came, a sacred pact,
Our night routine, no turning back.
Curled close beside me, soft and deep,
While all the world fell fast asleep.
No other bed would ever do,
My little spoon, so warm and true.
Those quiet moments, pure and slow,
The truest love I'd ever know.

Chorus

Oh Choco, my dear, a bond so true,
Sixteen long years, I spent with you.

Choco's Gentle Glow (continued)

My little shadow, by my side,
Forever in my heart, you'll hide.

Verse 3

Your pinkest blankets, soft and deep,
Where peaceful naps you loved to keep.
Our little alpha, bold and free,
You ruled the house for all to see.
Car rides, the wind, a joyful chase,
Running in place, with boundless grace.
From well-loved toys to barks and stride,
Your big personality, deep inside.

Bridge

My final whisper, soft and clear,
I'll always love you, darling dear.
Forever waiting, 'til we meet,
To hold you close, my joy complete.

Instrumental - piano, cello

Final Chorus

Oh Choco, my dear, a bond so true,
Sixteen long years, I spent with you.
My little shadow, by my side,
Forever in my heart, you'll hide.

Outro

Now in the sun, you dream and play,
Bathed in a gentle, golden ray.
Resting easy, soft and free,
A peaceful slumber, endlessly.

Outro - piano fade
