Intro - ukulele, light percussion

Verse 1

A little Poodle, quick and bright
You filled our home with pure delight
I recall the day, so clear and true
A tennis ball, just me and you
You ran so fast, a happy blur
A beaming smile, no other fur
Then rolling in the soft green grass
Those happy moments built to last

Chorus

Oh, Ella Mae, my guiding star
Eleven precious years, no matter how far
Your gentle spirit, brave and free
You'll always be a part of me
Ella Mae, your light still shines
Across all futures, through all times

Verse 2

Each day you'd meet me at the door
With joyful barks, and wanting more
Our nightly playtime, up the stairs we'd race

Ella Mae's Forever Sunshine (continued)

Then calm you'd settle, in your special place
You'd curl up close, a loving friend
A bond like ours, that knows no end
Those quiet cuddles, soft and deep
Secrets only our hearts could keep

Chorus

Oh, Ella Mae, my guiding star
Eleven precious years, no matter how far
Your gentle spirit, brave and free
You'll always be a part of me
Ella Mae, your light still shines
Across all futures, through all times

Verse 3

A special magic, light and free
You brought such joy and love to me
My heart expanded, full and wide
With you forever by my side

Bridge

I loved you more than I could know
My sweet Ella baby, watched you grow
The best friend I so needed then
My soul dog, until we meet again
I'm dreaming of that joyful day
When I can hold you in my arms, and say...

Instrumental - ukulele, acoustic guitar

Final Chorus

Oh, Ella Mae, my guiding star
Eleven precious years, no matter how far
Your gentle spirit, brave and free
You'll always be a part of me
Ella Mae, your light still shines
Across all futures, through all times

Outro

Now running free, with happy sound
Fastest zoomies on hallowed ground
Catching every ball you see
Rolling in grass, eternally
Sunlight warm upon your face

Ella Mae's Forever Sunshine (continued)

Resting in that peaceful place

Outro - ukulele fade
