BoBoo's Happy Heart

A Tribute Song

Intro - acoustic guitar, ukulele

Verse 1

From the moment you came, a happy, bouncing boy,
You filled every corner of our lives with pure joy.
A Keeshond's warm fur, a heart so true and bright,
You found your way to every heart, a beacon of light.
Mom's shadow you were, always right by my side,
No matter the journey, you were my trusted guide.
With a wag and a smile, a spirit so free,
The happiest presence, for all to see.

Chorus

Oh, BoBoo, my dearest, for nine years we shared,
A love beyond measure, a bond deeply cared.
Your happy heart bouncing, forever in my soul,
Making every moment beautifully whole.

Verse 2

Those 4 am drives, just you and me in the dark,
To the office each morning, leaving your unique mark.
My best travel buddy, through every single day,
You made work feel lighter, in your own special way.
Loudest and boisterous, a joyful, kind sound,
The happiest companion, nowhere to be found,
Like you, my sweet BoBoo, so vibrant and keen,
The best office dog that the world has ever seen.

Chorus

Oh, BoBoo, my dearest, for nine years we shared,
A love beyond measure, a bond deeply cared.

BoBoo's Happy Heart (continued)

Your happy heart bouncing, forever in my soul,
Making every moment beautifully whole.

Bridge

I love you, my BoBoo, I always did and I will,
My heart holds your memory, standing perfectly still.
Wait for me, my sweet friend, beyond the sky's blue,
My soul will find yours, forever with you.

Instrumental - ukulele, piano

Final Chorus

Oh, BoBoo, my dearest, for nine years we shared,
A love beyond measure, a bond deeply cared.
Your happy heart bouncing, forever in my soul,
Making every moment beautifully whole.

Outro

Now bouncing so happily, beyond the sun's gleam,
Loud and boisterous, a beautiful, kind dream.
Exactly what Mom wanted, free and full of grace,
Rest peacefully now, in your happy, eternal place.

Outro - guitar fade

Forever in our hearts
