Toto's Gentle Watch

A Tribute Song

Intro - piano, warm pads

Verse 1

From distant lands, a rescue small and kind,
A love so pure, a treasure hard to find.
Four tiny paws, a heart so full of grace,
He filled our home, he brightened every space.
His gentle spirit, all around I hear,
Dispelling shadows, banishing all fear.
A silent promise, held within his gaze,
Through all our precious, unforgettable days.

Chorus

Oh, Toto, my best boy, my guiding light,
Four years of wonder, morning, noon, and night.
A love so deep, a bond that will not cease,
Our sweet companion, bringing endless peace.

Verse 2

Each night we'd cuddle, close upon the bed,
"Best boy in the world," I always softly said.
Through Harpenden's shops, a hero in the town,
With wagging tail, and never a frown.
Staff knew his name, with fuss and treats galore,
A little king, adored by all, and more.
He charmed the hearts of everyone he'd meet,
Our famous Toto, oh so kind and sweet.

Chorus

Oh, Toto, my best boy, my guiding light,
Four years of wonder, morning, noon, and night.

Toto's Gentle Watch (continued)

A love so deep, a bond that will not cease,
Our sweet companion, bringing endless peace.

Bridge

My darling, dearest little man, so true,
My heart holds every memory of you.
I love you for ever and ever, dear,
Your spirit lingers, banishing each tear.

Instrumental - piano, strings

Final Chorus

Oh, Toto, my best boy, my guiding light,
Four years of wonder, morning, noon, and night.
A love so deep, a bond that will not cease,
Our sweet companion, bringing endless peace.

Outro

Now running free, with joy in every stride,
To greet each friend, with nothing left to hide.
Excited for walks, and car rides far away,
Upon the sill, still watching through the day.
Peacefully sleeping, dreams of sun and play,
My sweet Toto, forever and a day.

Outro - piano fade
