## Verse 1

Little Lhasa Poo, a puppy so small,  
You answered our hearts when we made the call.  
With love hugs and kisses, your greeting so sweet,  
Your whole body shook, dancing on little feet.

## Chorus

Oh, Gizzy, our sunshine, bright and so true,  
Four wonderful years we spent loving you.  
Your spirit still shines, a warm, gentle glow,  
The happiest memories, watching them grow.

## Verse 2

Our snuggly love moments, so full of delight,  
Your paws around my neck, holding me tight.  
Kissing my face, a pure, loving art,  
Then dessert time magic, right from the start.  
That crinkle of a bag, a sound you adored,  
Pure joy in your eyes, forever explored.

## Chorus

Oh, Gizzy, our sunshine, bright and so true,  
Four wonderful years we spent loving you.  
Your spirit still shines, a warm, gentle glow,  
The happiest memories, watching them grow.

*Gizzy's Joyful Spirit (continued)*

**Verse 3**

Remember those romps, through rooms bright and wide,  
Through living room spaces, with nothing to hide.  
Bouncing off couches, with joyful delight,  
Your beautiful smile, a radiant light.

**Bridge**

Though tears may still fall, our hearts understand,  
You're running free now in a beautiful land.  
Run free my beautiful boy, we love you so deep,  
And know in our hearts, our promise to keep, we will see you soon.

**Ukulele Solo**

**Final Chorus**

Oh, Gizzy, our sunshine, bright and so true,  
Four wonderful years we spent loving you.  
Your spirit still shines, a warm, gentle glow,  
The happiest memories, watching them grow.

**Outro - ukulele fade**

Running pain-free, through wildflowers bright,  
Smiling with friends, bathed in soft, golden light.  
Our Gizzy is free, forever he'll roam,  
Carried in our hearts, always home.===

*Forever in our hearts*
