

Remembering Ollie

Custom Pet Memorial Songs

Rio's NASCAR Laps

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

I remember the sound, so clear and so true,
The clicklak of nails on the floor, coming through.
Little paws scratching right there at the door,
A tiny Havanese wanting so much more.
You'd bounce and you'd prance, a joyful display,
Chasing shadows and worries away.
From that first day, my heart was complete,
With every small bark, oh so sweet.

Chorus

Oh, Rio, my friend, my Tinky boy dear,
Fifteen long years, you banished all fear.
A faithful companion, loyal and true,
My love will forever remember you.

Verse 2

After long days, when work had been done,
Our special greeting, beneath the setting sun.
My Mickey Mouse voice, I'd call out your name,
"My Tinky boy!" always started the game.
For more than ten years, that moment we shared,
A bond pure and simple, beyond all compared.
You'd spin and you'd bark, with joy in your eyes,
A love that reached up to the clear blue skies.

Chorus

Oh, Rio, my friend, my Tinky boy dear,
Fifteen long years, you banished all fear.

Rio's NASCAR Laps (continued)

A faithful companion, loyal and true,
My love will forever remember you.

Verse 3

Through changing seasons, the years softly flew,
A constant companion, faithful and true.
Beside the armchair, or curled at my feet,
Your quiet presence, oh so sweet.
No words ever needed, just a look from your eyes,
A deep understanding, beneath sun and skies.
My little protector, so brave and so small,
You filled up my life, you gave it your all.

Bridge

Now you're up there, beyond the clouds high,
My final whisper, as tears fill my eye:
"Be the bestest Tinky boy up there, it's true,
Show everyone how great you are, my sweet you."

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Rio, my friend, my Tinky boy dear,
Fifteen long years, you banished all fear.
A faithful companion, loyal and true,
My love will forever remember you.

Outro - guitar fade

Now you're running those NASCAR laps, free and bold,
Eating chicken cutlets, a story untold.
With Nikkie beside you, in fields of the sun,
Our Tinky boy's journey, forever is run.
Peaceful and happy, beneath skies of blue,
My heart holds a place, always for you.

Forever in our hearts
